We cultivate community support for
the mission of Black Hawk College.

Welcome

**ON BEHALF OF THE
FOUNDATION BOARD
OF DIRECTORS,
THANK YOU FOR YOUR
SUPPORT OF THE
COLLEGE AND OUR
MISSION.**

Throughout the past year, the Board approved a three-year strategic plan and focused efforts on putting that plan into action. One component of the planning process was the need to build awareness throughout the community of the great works the Foundation does for the College and students. We have made a concerted effort toward this end through building partnerships with individuals, business and organizations in the region. Our events, activities and outreach initiatives continue to expand our community engagement, raising awareness of Black Hawk College program, eminent importance and inherent value in the Midwest region.

As we celebrate the new graduating class of 2019 and welcome the latest entering class, we thank you for your past support and hope you continue making a difference for today's students through your partnership with Black Hawk College Foundation.

A handwritten signature in black ink, reading "Maureen Dickinson". The signature is fluid and cursive, with a long horizontal line extending from the end.

COLLABORATION & AWARENESS

In the Spring of 2017, the Black Hawk College Foundation Board began the process of refining our strategic plan for 2018–2021, which was adopted in the summer of 2018. The plan reveals three core goals: **development** through revitalized efforts towards raising funding; **awareness** with a focus on increasing the Foundation’s name recognition throughout the region; and **collaboration** by enhancing the relationship between the Foundation Board and the Black Hawk College Board of Trustees.

Also of paramount importance, is successful **leveraging of community partnerships** across all industries represented within the Quad-Cities community—with an emphasis on those with strong Black Hawk College and alumni ties. As we continue strengthening external relationships, through our scholarship and emergency fund grant programs we foster and cultivate a spirit of philanthropy among current students—tomorrow’s alumni.

A DYNAMIC AND RESPONSIVE BOARD

Last year, the Black Hawk College Foundation Board responded to the City of Moline Fire Department’s expressed need for a pipeline of applicants by offering scholarships for EMT and Paramedic students interested in becoming firefighters. In August of 2018, the Board paid the Black Hawk College application fees for 128 students to help build enrollment.

These examples illustrate our commitment to strengthening our community by helping build a more skilled and talented workforce.

EVENTS

ALUMNI HALL OF FAME & SCHOLARSHIP APPRECIATION BANQUET

Combining our rich history with current students and donors was the guiding force for our 2018 event. We invite scholarship creators to share with students each year about their decision to establish a scholarship fund and the impact of their generosity for the Quad-Cities campus students. The award recipients were invited to share their future plans and demonstrate how the scholarship has enhanced their lives. In addition our 2018 Alumni Hall of Fame inductees were honored at the event.

TELLING OUR STORIES GALA

This 2018 event celebrated community partnerships with organizations that support students and veterans. Vital funding through sponsorships, ticket sales and silent auction proceeds benefited Black Hawk College's new Surgical Tech program, Veterans Resource Center, and the Foundation.

The M*A*S*H-inspired theme transported attendees back to Korea in the 1950's with the swing-style musical entertainment from The Manny Lopez Big Band and the "surgeons" portrayed by in-district students from the cast of AlWood High School's fall play. Keynote speaker Martha Roskam's remarks about her families' mission of returning dog tags to Vietnam veterans moved us all.

HALL OF FAME

Black Hawk College Foundation has a longstanding tradition of excellence.

The Hall of Fame recognizes outstanding individuals for their professional and community service, including such notable graduates as United States

Representative Lane Evans; Rose Vasquez, Diversity Analyst at Principal Financial Group; Robert Ontiveros, Chairman and Founder, Group O; and nationally recognized Chad Pregracke, founder Living Lands and Waters.

HALL OF FAME: OUTSTANDING ALUMNI ACHIEVEMENT

The Black Hawk College Foundation Alumni Hall of Fame recognizes alumni for their outstanding achievements. Honorees are College alumni who have graduated from, or have completed at least 30 credit hours. They have demonstrated outstanding success in their chosen field and provide humanitarian service that is beneficial to their communities and society.

ALUMNI HALL OF FAME INDUCTEES

In the fall of 2018, the Black Hawk College Foundation welcomed new inductees during a special event held at Niabi Zoo located in Coal Valley.

SCHOLARSHIPS

Black Hawk College Foundation offers numerous scholarship opportunities and emergency funds, helping students access an affordable and high quality education.

Because of the generosity of many individuals, organization and other foundations, we are able to offer scholarships to help students pay for their education.

YOUR LEGACY... CREATING A LIFETIME OF INSPIRATION

Scholarships provide important support to students with financial needs, yet they also do so much more. A recipient of a scholarship will gain more than you might imagine. And perhaps more important than the financial assistance, recipients build their self-esteem through knowing someone believes in them. Recipients are likely to achieve greater success in their studies and ultimately in their personal and professional endeavors.
